

10 ST MARYS

LUXURIOUS LIVING IN THE HEART OF YORK

Access Statement for 10 St Marys

Introduction

10 St Marys was built in the mid-Victorian era, with the street being named after St Marys Abbey, a Benedictine Abbey founded in 1088 and once the richest Abbey in the North of England. The ruins still remain and can be found a short walk away in the Museum Gardens. The property is located in York city centre, a short walk from York Minster and various restaurants and attractions. 10 St Marys has 4 floors, 3 Bedrooms and an outdoor patio area.

It is with regret that due to the layout of the property 10 St Marys is not suitable for disabled guests. The building and all floors are accessed via stairs making access for those with mobility difficulties challenging.
